

A Leister Company

IR Microsystems is located at the Technology Parc (PSE) on the site of the "Swiss Federal Institute of Technology" (EPFL), near Lausanne, Switzerland.

By car:
 IR Microsystems' location is roughly 45 minutes away from Geneva airport, 1 hour from Bern and 2.5 hours from Zurich.
 From the highway, follow direction "Lausanne-Sud" and exit at "EPFL-UNIL"

Follow the road for about 1km direction Geneva to the SECOND entrance to EPFL on your right, featuring traffic lights.

Enter the campus, and make a left at the round-about.
 The PSE is on your left, about 300 m down the road.
IR Microsystems is located on the 3rd floor of building C.
 (P) : visitor parking.

If you arrive by **train** at the Lausanne station, take the Metro (or bus) across the street from the main entrance, direction "Flon". Change to "Metro Ouest" direction "Renens", exit at EPFL, follow the signs to Information (I). Follow south to the round-about (see map detail), turn right toward the PSE.
